## For Your Information

### New Series 51 Examination

On September 30, 2002, the Municipal Securities Rulemaking Board (MSRB) filed a proposed rule change with the Securities and Exchange Commission for the MSRB's new Municipal Fund Securities Limited Principal Qualification Examination (Series 51), as well as an amendment to Rule G-3, on professional qualifications. Administration of the new Series 51 examination began on January 2, 2003. The amendment to Rule G-3 will extend to March 31, 2003, the transition period during which Series 24 and Series 26 principals may continue to supervise municipal fund securities activities without further qualification. This extension will provide a three-month period during which candidates can take and pass the Series 51 examination. **Under the amendment, all municipal fund securities limited principals will be required to have taken and passed the Series 51 examination by April 1, 2003.** This new exam requirement will not apply to individuals who are functioning as municipal securities principals or general securities sales supervisors, and who have passed either the Municipal Securities Principal Examination (Series 53) or the General Securities Sales Supervisors Examination (Series 8 or Series 9/10).
